(A SAUDI JOINT STOCK COMPANY)**

**UNAUDITED INTERIM CONDENSED  
FINANCIAL STATEMENTS**

**FOR THE THREE MONTH PERIOD ENDED  
31 MARCH 2009**

**REPORT ON THE REVIEW OF INTERIM CONDENSED FINANCIAL STATEMENTS TO THE SHAREHOLDERS OF BUPA ARABIA FOR COOPERATIVE INSURANCE COMPANY (A SAUDI JOINT STOCK COMPANY)****Scope of review**

We have reviewed the accompanying interim statement of financial position of BUPA Arabia For Cooperative Insurance Company - A Saudi Joint Stock Company ('the Company') as at 31 March 2009, and the related interim statements of shareholders' operations, comprehensive income, shareholders' cash flows and changes in shareholders' equity for the three month period then ended, together with the notes 1 to 6 which are integral part of these interim condensed financial statements. These interim condensed financial statements are the responsibility of the Company's management and have been prepared by them and submitted to us together with all the information and explanations which we required. We conducted our review in accordance with the Standard on Review of Interim Financial Reporting issued by the Saudi Organization for Certified Public Accountants (SOCPA). A review consists principally of applying analytical procedures to financial data and information and making inquiries of persons responsible for financial and accounting matters. It is substantially less in scope than an audit conducted in accordance with Generally Accepted Auditing Standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

**Explanatory paragraph**

As described in note 1 to the accompanying interim condensed financial statements, the Company commenced its insurance operations on 1 January 2009. The Company is also in the process of transferring the insurance portfolio of BUPA Middle East Limited E.C. to the Company, with effect from 1 January 2009. However, as the process to transfer the insurance portfolio has not yet been completed, the management did not prepare the interim statements of 'insurance operations' financial position', 'insurance operations' and 'insurance operations' cash flows'. As a result, the accompanying interim condensed financial statements are incomplete and the corresponding effect of the insurance operations might have a material impact on them.

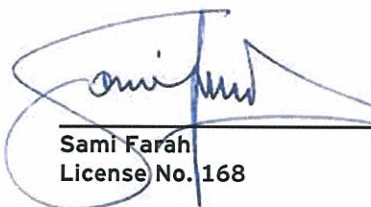

**Conclusion**

Based on our review, except for the matter referred to in the explanatory paragraph above, we are not aware of any material modifications required to the accompanying interim condensed financial statements for them to be in conformity with International Accounting Standard (IAS) 34.

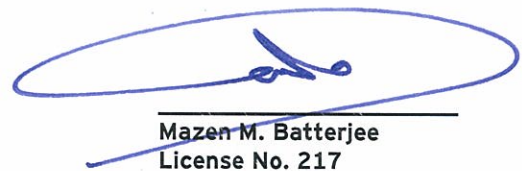

**Emphasis of matter**

We draw attention to note 2 to these interim condensed financial statements. As stated therein, the management have prepared these interim condensed financial statements in accordance with IAS 34, and not in accordance with Standard on interim financial reporting issued by SOCPA.

## NOTES TO THE INTERIM CONDENSED FINANCIAL STATEMENTS

As at 31 March 2009

### 1 ORGANIZATION AND PRINCIPAL ACTIVITIES

BUPA Arabia For Cooperative Insurance Company (the Company) is a Saudi Joint Stock Company incorporated in the Kingdom of Saudi Arabia as per Ministry of Commerce and Industry's Resolution number 138/K dated 24 Rabi Thani 1429 H (corresponding to 1 May 2008). The Registered Office address of the Company is Bugshan Building, Mushrefah District, Palestine Street, Jeddah, Saudi Arabia. The Company is licensed to conduct insurance business in Saudi Arabia under cooperative principles in accordance with Royal Decree No. M/74 dated 29 Shabaan 1428 H (corresponding to 11 September 2007) pursuant to Council of Ministers' Resolution No 279 dated 28 Shabaan 1428 H (corresponding to 10 September 2007).

The objectives of the Company are to engage in providing medical insurance and related services in accordance with its articles of association, and applicable regulations in Saudi Arabia. The company is 73.75% owned by Saudi shareholders and 26.25% owned by non-Saudi shareholders. The Company was listed on the Saudi Arabian stock market on 17 May 2008.

As required by Saudi Arabian insurance regulations, the Company has to maintain separate accounts for insurance operations and shareholders' operations. The physical custody of all assets related to the insurance operations and shareholders' operations are held by the Company.

On 31 December 2008, the company entered into an agreement with BUPA Middle East Limited E.C. (the Seller) pursuant to which it will acquire the Seller's insurance operations in the Kingdom of Saudi Arabia, effective from 1 January 2009, at a goodwill amount of SR 98 million, as approved by Saudi Arabian Monetary Agency (SAMA), along with related insurance assets and liabilities of an equivalent amount. The transfer of insurance portfolio from the Seller to the Company is in process.

The Company commenced its insurance operations on 1 January 2009. However, as the process to transfer the insurance portfolio has not yet been completed, the management did not prepare the interim statements of insurance operations. As a result, these interim condensed financial statements do not include the interim statements of 'financial position for insurance operations', 'insurance operations' and 'insurance operations' cash flows'.

Furthermore, as this is first set of interim condensed financial statements of the Company, no comparative information is presented in the interim statements of shareholders' activities', 'comprehensive income', 'shareholders' cash flows' and 'changes in shareholders' equity'.
